

## **Riffel Binger Scharlachberg Riesling trocken 2020**

**98 Points**

The peach aroma on the nose of this imposing dry riesling is extremely ripe, as if it only ever bathed in sunshine. Yet, the wine remains cool and collected with a very precise palate and intense, stony minerality. Enormous power at the long, very compact finish. From organically grown grapes. Vegan. Drink or hold. Published 09/24/21

## **Riffel Binger Scharlachberg Trockenbeerenauslese 2020**

**98 Points**

The nose of this super-concentrated dessert wine is of peanut butter and roasted lemon zest, but that really gives little idea of where this embryonic masterpiece is headed. On the palate, it is an essence of candied citrus with brain-rattling, stony freshness. Gigantic minerality at the super-long finish. From organically grown grapes. Vegan. Drinkable now, but best from 2025. Published 10/10/21

## **Riffel Binger Kirchberg Riesling trocken 2020**

**95 Points**

Very striking lemon-curd nose with notes of freshly ground pepper and oolong tea. A cool and very mineral dry riesling that's simultaneously firm and almost weightless on the palate. So much wet-stone minerality at the long, extremely clean finish. From organically grown grapes. Vegan. Drink or hold. Published 09/24/21

## **Riffel Binger Osterberg Riesling trocken 2020**

Tons of Amalfi-lemon character, married to a serious structure and lively acidity make this a very striking dry riesling. I love the fresh flow of this elegant wine, which has a stunning, creamy and chalky finish. From organically grown grapes. Vegan. Drink or hold. Published 09/24/21

## **Riffel Binger Scharlachberg Riesling Kabinett 2020**

**94 Points**

Such a distinctive nose of nectarine, orange blossom and fresh basil! Stunning balance of succulence, totally vibrant acidity and just enough natural grape sweetness to prevent this from being brutally mineral. From organically grown grapes. Drink or hold. Screw cap. Published 06/10/21

## **Riffel Binger Rosengarten Riesling feinherb 2020**

**93 Points**

So much tropical fruit and so many tropical herbs here that this dry riesling is delightfully disorientating. So succulent, yet barely off-dry, this has an impressive, earthy-mineral base that gives the long finish plenty of drive. From organically grown grapes. Drink or hold. Published 06/10/21

## **Riffel Chardonnay Réserve trocken 2019**

**93 Points**

Tasting absolutely blind, I would confidently identify this as a Chablis Premier Cru! In fact, it is another example of German winemakers' growing confidence with chardonnay. At once smoky, lemony and chalky with a wonderful combination of concentration and vibrancy, this has a long, very clean finish. From organically grown grapes with Ecovin certification. Drink or hold. Published 06/22/21

## **Riffel Binger Riesling Quarzit trocken 2020**

**93 Points**

Although this has good ripeness, intense citrus zest and peachy fruit, it also has a cool personality and underplayed power. The minerality is very forthright and accentuated by a positive hint of bitterness that gives the long, stony finish an extra kick. From organically grown grapes. Drink or hold. Screw cap. Published 09/24/21

Pretty serious stuff for this humble category with plenty of structure and still some smoky character. This is for those who seek minerality rather than a fruit bomb. I love the cool finish with its pronounced wet-stone character. From organically grown grapes. Drink or hold. Screw cap. Published 06/10/21

## **Riffel Scheurebe & Sauvignon Blanc trocken 2020**

Why be serious if this aromatic and expressive dry white is in your glass? Tons of grapefruit and cassis here, but also flint and smoke notes, the medium-bodied palate frankly refreshing. Very bright, citrus and flint finish. From organically grown grapes with Ecovin certification. Drink now. Screw cap. Published 06/22/21

## **Riffel Silvaner trocken 2020**

The spritziness and lemony freshness of this dry silvaner gives it an unusually lively personality for this grape, which is famous for roundness. Medium-bodied with a precisely balanced palate, the finish crisp and refreshing. Good length, too! From organically grown grapes with Ecovin certification. Drink now. Screw cap. Published 06/22/21

## **Riffel Bubenstück Pinot Noir Réserve trocken 2019**

I like the serious tannin structure of this youthful, medium-bodied pinot noir. Nice red-berry aromas with a touch of watermelon. Plenty of drive from the moderately dry tannins and lively acidity. Falls a bit flat at the finish. From organically grown grapes with Ecovin certification. Drink or hold. Published 06/22/21

## **Riffel Weißburgunder trocken 2020**

**88 Points**

Either you'll find this pleasantly flinty on the nose, or a tad funky. Plenty of depth, but the rather full body, crisp acidity and touch of tannin don't quite gel. Maybe this is just in shock from recent bottling? From organically grown grapes. Drink now. Screw cap. Published 06/10/21
