

Riffel Binger Scharlachberg Riesling trocken 2021

95 Points

The deep nose of fresh pineapple, lemon blossom and Amalfi-lemon zest pulls you into this sleek and intensely mineral beauty. Very cool and precisely delineated from the tip of your tongue right through to the end of the wet-stone crescendo finale. Excellent aging potential. From biodynamically grown grapes. Vegan. Drink or hold. Published 09/23/22

Riffel Binger Osterberg Riesling trocken 2021

94 Points

A very cool, straight and flinty dry riesling, in which the intensely mineral acidity is already very well integrated, even creamy on the mid-palate. With a bit of aeration in the glass, lovely peachy fruit develops, as well as notes of spring blossoms. Long, silky finish. From biodynamically grown grapes. Vegan. Drink or hold. Published 09/23/22

Riffel Binger Rosengarten Riesling 2021

94 Points

A real mountain wine, with all the freshness and brightness I associate with this unofficial category. Vibrant and juicy with excellent harmony, this dry riesling is actually sleeker than it feels on the palate, where the stone-fruit character and a whisker of unfermented grape sugar give it appealing generosity. Long, animating finish. From biodynamically grown grapes. Vegan. Drink or hold. Published 09/23/22

Riffel Binger Kirchberg Riesling trocken 2021

93 Points

Striking nose of a whole garden of fresh herbs, plus white-peach, lemon-zest and licorice aromas. Seriously crisp acidity that some will find challenging. Plenty of crushed-rock character at the steely finish. Impressive depth, but needs some time for the acidity to fully integrate. From biodynamically grown grapes. Vegan. Drink or hold. Published 09/23/22

Riffel Binger Riesling Quarzit trocken 2021

93 Points

Beautiful nose of lemon balm, chamomile and Amalfi lemon. This packs considerable concentration into a very sleek silhouette. So much wet-stone minerality at the very fresh and bright finish. 100% from the Scharlachberg GG site. From biodynamically grown grapes. Vegan. Drink or hold. Screw cap. Published 09/23/22

Riffel Chardonnay Réserve trocken 2021

92 Points

This German chardonnay's slug of toasty and vanilla oak is married to generous body and plenty of lemon-curd character. The lemony acidity is well integrated with the oak tannins at the very clean and balanced finish. From biodynamically grown grapes. Vegan. Drink or hold. Published 09/23/22

Riffel Weißburgunder & Chardonnay Tonmergel trocken 2021

92 Points

Forthright pear, fresh-pineapple and lemon aromas with just a hint of vanilla, plus an attractive interplay of toasty oak and lively fruit on the medium-to full-bodied palate. Solid oak tannins underline the long, clean finish. From biodynamically grown grapes. Vegan. Drink or hold. Published 09/23/22

Riffel Grauburgunder trocken 2021

90 Points

A remarkably zesty wine for pinot gris, with plenty of life and spritz packed into the barely medium-bodied palate. Lovely white-flower delicacy on the nose, also a touch of melon. From Alto Adige clones of this grape that ripen significantly later than the German clones. From biodynamically grown grapes. Vegan. Drink or hold. Screw cap. Published 09/23/22

Riffel Riesling trocken 2021

89 Points

A racy and expressive basic dry riesling with stacks of lemon-curd and ripe mirabelle character. In spite of the high acidity, this is juicy and well balanced. Good length, too. From biodynamically grown grapes. Vegan. Drink now. Screw cap. Published 09/23/22

Riffel Weißburgunder trocken 2021

89 Points

An attractive, light and crisp dry pinot blanc with plenty of crisp pear and a touch of green-bean aroma. Nice delicacy and herbal freshness at the finish. Only 11.5% alcohol. From biodynamically grown grapes. Vegan. Drink now. Screw cap. Published 09/23/22
